**WHAT ARE MUTUAL FUNDS?**

Mutual Funds are professionally managed investment products, registered under the Securities and Exchange Commission (SEC).

**WHAT ARE THE TYPES OF FUNDS?**

Mutual Funds are categorized according to where the pooled assets are invested. There are different types of mutual funds to match your investment horizon and financial goals.

- **Money Market Funds**
  - Invest in short-term time deposits, corporate bonds, and government securities

- **Bond Funds**
  - Invest in bonds issued by corporations and the Philippine government

- **Equity Funds**
  - Invest in individual stocks listed in the Philippine Stock Exchange
  - Invest in stocks that are components of the PSEi
  - **Equity Index Funds**

- **Balanced Funds**
  - Invest in a combination of both individual stocks and bonds

- **Mutual Funds** pool together a collection of assets - generally stocks, bonds, cash or a combination thereof - held by multiple shareholders for the purpose of investing.

**HOW CAN MUTUAL FUNDS HELP ME?**

EAST WAY TO OWN SECURITIES

Mutual funds are a convenient way of investing in a variety of securities that can match your different financial goals.

PROFESSIONALLY MANAGED

Professional fund managers bring in the expertise related to making investment decisions. These involve asset selection process and monitoring the overall composition of your portfolio.

DIVERSIFICATION

Mutual funds minimize risk by spreading the investment among a variety of assets.

LIQUIDITY

Investors can typically redeem their mutual fund shares at any time.
